

## **BUSINESS COLLABORATION PROTOCOL**

**As of 09.06.2021; SAFE ENERGY project pleased to announce its shareholders (\$Energyx token holders) about the new co-operation and recognition as purchase currency with FERKOS Company.**

**As it known Safe Energy is a community driven deflationary currency to realize future projects for reducing carbon footprint by making renewable energy sources more accessible and the team dedicated to make this dream real with the real business companies that are in renewable energy products such as FERKOS company is our first partnership.**

**They are welcomed SAFE ENERGY project due to its missions and goals. FERKOS is a company operated internationally producing and setting up the materials for carbon filtering, wind turbine energy systems and many more. Ferkos is going to accept payments in \$Energyx and will cooperate with Safe Energy project as promoting in their website and entire customer portfolio will be presented to Safe Energy project and purchase currency will be also accepted as \$Energyx.**

**We are happy to announce our very first collaboration and we will work to deliver more cooperations**

**We thank FERKOS on behalf of Safe Energy project for this cooperation.**
